Where to catch the train after the races:

To help everyone get home safely and quickly from the races we have made changes to where you queue for the train – see the map for details.

Remember:

- Opened alcohol and drinking are not allowed on the train
- If you're intoxicated or aggressive, you may be refused access to services

P.S: If you're taking the train to AC/DC, normal Stadium services will run on the Paraparaumu and Johnsonville Lines, along with extra trains on the Hutt Valley Line. We suggest you go early to avoid delays!

Due to the number of passengers we will carry on Saturday, there may be some delays experienced. Thanks in advance for your patience and we hope you enjoy the races and the concert.
